

SELL TRUCKS, PARTS AND SERVICE PROFITABLY.™

## SOLUTIONS FOR FREIGHTLINER LLC DEALERS

### ADP Truck Clients enjoy a number of benefits provided by ADP Team Truck:

➤ **Truck Talk**, our bi-monthly newsletter in its 11th year of continuous publication which contains helpful tips and information for ADP users

➤ The annual **ADP Truck Users' Conference** providing excellent networking opportunities with other users and facilitating increased system utilization as you learn from other users and ADP product experts

➤ **Support** through our DealerSuite.com website and via toll-free phone numbers

For more information about how ADP can help you Sell More Trucks, Parts and Service Profitably visit DealerSuite.com or call us at 800-488-7825, ext. 6599.

### STRONG MANUFACTURER RELATIONSHIPS HELP DEALERS RUN THEIR BUSINESSES SMOOTHLY

ADP has built a strong long-term relationship with Freightliner LLC that streamlines processes and connects you with the systems that are important to your business. Customized software designed specifically for Freightliner, Sterling and Western Star dealers transfers data efficiently between the systems you use.

#### Parts Orders

Transfer parts order data from the ADP Parts Inventory system to the Freightliner PC, for transmission to Freightliner.

#### Warranty Transfer

Capture vehicle repair order data from the ADP Service system, modify it as necessary, and transfer directly to the Freightliner PC.

#### MDI Interface

Transmit parts inventory information daily to Freightliner. MDI software at Freightliner calculates and sends a stockorder to parts inventory based on the Freightliner MDI suggested stocking levels.

#### ADP FleetConnect

An easy-to-use parts replenishment system which connects a dealer and his fleet customers, automating the reordering process and providing a valuable communications tool.

#### Truck Special Options

A set of options specifically created for truck dealers' pricing needs. All ADP Truck Clients receive this software at no charge.

#### Centralized Billing

Transfer repair order invoices and parts invoices to the Freightliner PC for transmission to Freightliner for Centralized Billing customers.

#### Inventory Query

Perform parts availability and pricing inquiries by searching the inventory of a main location, branch locations, or even other ADP dealers. Returns the quantity on hand at each location queried, as well as the customer's correct pricing for the part.

#### Financial Statement Interface

Extract, format, and electronically transmit monthly financial statements to Freightliner LLC, eliminating cumbersome photocopying and hard copy mailing.

#### Parts Price Updates

Available to Freightliner, Sterling, Western Star and Thomas Built Bus Dealers.

#### Automated Labor Time Guides

Delivered monthly for Freightliner and Sterling.
